

SAFEGUARDING POLICY

The Parish of Greater Whitbourne commits to:

1. Promoting a safer environment and culture

All Church Officers will respect all children, young people and vulnerable adults and promote their well-being.

The Church will strive to create and maintain environments that are safer for all, that promote well-being, that prevent abuse, and that create nurturing, caring conditions within the Church for children, young people and vulnerable adults. It will work to continue to strengthen and review these environments. This will be done by training, support, communication, learning, governance and quality assurance processes.

The Church will strive to support all Church Officers to adhere to safer working good practice and to challenge the abuse of power. It will ensure that processes are in place that listen to and advocate on behalf of children, young people and vulnerable adults within the knowledge that they will be cared for.

2. Safely recruiting and supporting all those with any responsibility related to children and vulnerable adults within the Church

The Church will select and vet all those with any responsibility related to children, young people and vulnerable adults within the Church, in accordance with the House of Bishops safeguarding policy and practice guidance.

It will train and equip Church Officers to have the confidence and skills they need to care and support children, young people and vulnerable adults and to recognise and respond to abuse. This will be done by supporting the roll-out of consistent and accessible safeguarding training in accordance with House of Bishops safeguarding policy and practice guidance.

3. Responding promptly to every safeguarding concern or allegation

Anyone who brings any safeguarding suspicion, concern, knowledge or allegation of current or non-current abuse to the notice of the Church will be responded to respectfully and in a timely manner, in line with statutory child and adult safeguarding procedures and the House of Bishops safeguarding policy and practice guidance.

All safeguarding work will be recorded in line with the House of Bishops safeguarding practice guidance.

All suspicions, concerns, knowledge or allegations, that reach the threshold for reporting to the statutory authorities, will be reported via the diocesan safeguarding adviser or designated safeguarding adviser/officer in another church body to the appropriate statutory authorities. This will be done irrespective of the status of the person.

All Church Officers will cooperate with the statutory authorities in all cases.

In responding to concerns or allegations of abuse relating to Church Officers, the Church will act in accordance with the requirements of criminal, civil and ecclesiastical law, and so will respect the rights and uphold the safeguards afforded in these, both to the victim/survivor and the subject of concerns or allegations.

4. Caring pastorally for victims/survivors of abuse and other affected persons

The Church will endeavour to offer care and support to all those who have been abused, regardless of the type of abuse, when or where it occurred.

The Church is committed to continuing to learn how to respond in a supportive and healing way to the needs of those who have suffered abuse.

Those who have suffered abuse within the Church will receive a compassionate response, be listened to and be taken seriously. The Church will respond to any disclosure of abuse in accordance with House of Bishops policy and practice guidance. This will be done in collaboration with the relevant statutory agencies in accordance with criminal, civil and ecclesiastical law. They will be offered appropriate pastoral care, counselling and support - according to the agreed need.

An appropriate pastoral response to the family, parish, congregation or order will be considered, with due regard to the right of privacy of those directly involved, and to the administration of justice.

5. Caring pastorally for those who are the subject of concerns or allegations of abuse and other affected persons

The Church in exercising its responsibilities to suspicions, concerns, knowledge or allegations of abuse will endeavour to respect the rights under criminal, civil and ecclesiastical law of an accused Church Officer including the clergy. A legal presumption of innocence will be maintained during the statutory and Church inquiry processes. As the process progresses additional assessment, therapy and support services may be offered.

The Church will take responsibility for ensuring that steps are taken to protect others when any Church Officer is considered a risk to children, young people and vulnerable adults. This will be done by working to mitigate any identified risks according to a safeguarding agreement.

Church Officers who are the subject of concerns or allegations of abuse belong to families, congregations and church communities. The Church will be mindful of the need to provide support to members of families, parishes and congregations affected by the Church Officers in such situations.

6. Responding to those who may pose a present risk to others

The Church, based on the message of the gospel, opens its doors to all. It will therefore endeavour to offer pastoral care and support to any member of the church community whom may present a known risk.

The Church will ensure that any risk has been assessed and is being managed in a safeguarding agreement in accordance with House of Bishops policy and practice guidance. This will be done in collaboration with the relevant statutory agencies in accordance with criminal, civil and ecclesiastical law.
