

What's On at Upper Sapey Church and Olly's Friendship Room, Nov-Dec 2017

Table-Tennis Club – all abilities – continues on Friday evenings from 5pm – 7pm in Olly's Friendship Room. Please wear indoor-only footwear, and just turn up. £1 per person donation welcome! Bats & balls provided.

Coffee & Chat from 11am on the first Saturday each month in Olly's Friendship Room. Just come along and meet old friends and new.

Astronomy Club continues on Wednesday 8th November at 7.00pm. We will start showing a series of Brian Cox's BBC astronomy programmes. Entrance is free, but we welcome donations towards running costs, especially now the nights are cooler (heating) and we had to buy a licence to show DVDs and films.

Mums & Babies Group continues on Wednesday mornings. This is already full(!) but if you would like to get another one started call David or Heather Roberts on 01886 853 665 for more information.

Other Activities & Events. This great facility was created for the local community to use. It is under-utilised at the moment, so don't hesitate to suggest extra events that YOU would like to see, or would even be prepared to organise and run. David & Heather Roberts would love to hear from YOU on 01886 853 665.

Christmas Fair

Saturday 2nd December

from 2pm - 5pm in the church

NOTE THE CHANGE OF TIME!

Come along to enjoy stalls, games, raffles, mulled wine and refreshments.

To help run the Fair, please contact David or Heather on 01886 853 665. We're a small community, and the more folk involved the better, of course.

Proceeds to be shared between the church and Olly's Friendship Room.

THANK YOU to all who supported our Summer Fête. Over £400 was raised for the chairs in Olly's Friendship Room and church funds.
